

# KSA NEWSLETTER

Hello campers & families,

Happy Holidays! We hope that you are all getting excited for a great holiday season and that you have some fun plans to look forward to. We are looking forward to welcoming our baby girl and we can't wait to update you on her arrival!

We have some exciting things planned for this summer and we will begin working on these projects soon! We will be completely renovating and upgrading one of our boys bunks and renovating the bathrooms in all of the boys bunks. We are updating and expanding our kitchen so that we can continue to provide the highest quality food, we will be painting the lodge, converting the bottom of the lodge to expand our arts program, and upgrading our basketball hoops for outdoor courts. We will also be expanding and adding to our circus program and adding silk screening to our arts program. If you have other ideas or things that you'd like to see next summer, please let us know!

We believe that 2018 is going to be our best year yet and we hope that you will join us. We wanted to remind you that our rates are increasing on December 15th. This is your final opportunity to get in at our early rates and we hope that you will take advantage. If you have any questions, you can always feel free to reach us at 954-688-7901.

From our family to yours - Happy holidays & Happy New Year!

With love,  
Hillary & Mike

## Camper Spotlight: Evan Friedmann

**1. What is your favorite thing about camp?** *My favorite thing about camp has to be the people. Friendships with people from camp are special, there is a bond with them that you don't have with anyone else. Everyone is so nice and welcoming and always make me feel like I belong.*

**2. What is your BEST camp memory?** *My best camp memory has to be tubing for the last time each summer. Some friends and I have made it tradition to tube on the last day of summer and last summer we were able to squeeze four people onto the tube, which was a lot of fun. Everyone was just falling out over & over again.*

**3. Why are you excited to be a CIT this summer?** *I am excited to be a CIT because I love helping out Mike and Hillary with the younger campers. Last year my friend and I always helped them whether it be setting up for color war or other camp tasks.*

**4. How has KSA helped you to become a better athlete?** *KSA has improved my basketball skills so much. Before my first year at KSA, I was so bad at basketball it was ridiculous. Now I play for varsity as a sophomore. I am not saying that I am good, just better. I also am in much better shape at camp than any other time of year.*
