

KSA NEWSLETTER

Hi campers & families,

Happy New Year! Can you believe it is already 2019? We are so excited and have started counting down the days until camp. We have been busy enrolling new campers, hiring the best and brightest staff, planning improvements and updates for the summer, and so much more!

We've been incredibly busy this offseason working on some big projects that are sure to have a great impact on camp in 2019.

We've already broken ground on our new roller hockey rink. The program, led by our very own Coach Brad, will include sessions with some of the best professional roller hockey players in the country and KSA will participate in a number of inter-camp tournaments.

Our facilities crew, Smitty & Wayne, have been working hard to design and plan the construction of a brand-new bunk on boys' camp. We expect to begin building in early spring and finish by the start of the summer.

These two projects are just the beginning! We're also planning renovations of our lodge, field house, and girls' bunks.

Keep an eye on our social media accounts for updates along the way. We can't wait to see you soon!

With love,
Hillary, Mike, Emma, & Jack
