

KSA NEWSLETTER

Dear KSA campers & families,

Hillary and I would like to thank you all again for a fantastic summer! 2017 was a huge success, thanks to all of our wonderful campers, counselors, coaches, and support staff. We hope everyone loved the new additions to our program, as well as the improvements to our facilities, and the great food! A lot of hard work was put into making 2017 the best summer ever... but we're not done yet!

We have already started our planning for what we hope will be an even better summer in 2018. We will continue to update and improve the cabins, expand on our already fantastic food menu, add even more exciting new features to the program, and (of course) offer the same great coaching in all sport areas. Make sure to keep an eye on our newsletters as we will update you all along the way.

As always, feel free to contact me anytime, and thank you again for choosing KSA!

All the best,
Hillary & Michael Gilberg

KSA Campers are up to BIG things!

Sadie Wenger

“Over the summer, I worked as a ball person at the US Open; a renowned tennis tournament in Queens, NY. It took a while for me to get excited for it but after a couple of matches, I realized how cool of an experience I was getting out of my first summer job. Although ball people are supposed to be noticed as little as possible, we still feel like the pressure is on. Interacting with players who people were paying to see from the highest level of the bleachers and being wrapped up in my own little game of keeping the balls even with 5 others on court was tiring, but of course equally exciting. It was an unforgettable experience and a great way to end my summer.”

Haley Weiss

Haley's softball team made it to the Senior League Softball World Series. We are so proud of how well they performed.

Jake, Jake, & Oliver

Jake, Jake, & Oliver all left camp a week early so that they could participate in the 2017 Maccabee games in Miami, Florida. Jake & Jake played against each other in the gold medal round of their soccer game. USA ended up beating Great Britain in a PK shootout after 2 overtimes!

Jake said of the experience, “After KSA, I flew out to Miami to participate in the JCC Maccabi games. It was my first taste of playing football on an international level and an experience that was unforgettable. Although we lost on penalties in the final, I still had an amazing experience in Miami and I know that it was thanks to KSA, that I performed at the standard I did.”
